Sub: Modification of form No.XII, Rule 42 and 45 of the Odisha Cooperative Societies
(Election to the Committees) Rule, 1992

Ref: Your letter No.9827 dt.19.12.2014 and letter No.1764 dt.26.12.2014

Sir,

I am directed to invite a reference to the above noted subject and say that the Form No. XII under Rule 42 and 45 of the OCS (Election to the Committees) Rules, 1992 is a part and parcel of the said Rules and any modification of the form needs to pass through the process of amendment of the Rules.

Besides, as it appears, the assumption that rejected vote cannot be counted in favour of any candidate may not be correct. In this context, Rule 41 (2)(a) of the OCS (Election to the Committees) Rules, 1992 is relevant.

Hence, the proposal for modification of the said form will be examined and considered as a part of amendment of the OCS (Election to the Committees) Rules, 1992 in due course.

Pending such amendment, if any, the prescribed form can be used in its present form keeping the column meant for Rejected ballot papers in respect of individual candidates blank and accounting for all the Rejected ballot papers in the respective column meant for total Rejected ballot papers for the Polling Station.

Yours faithfully

P.K. Mishra
